BY TRADITIONAL CAQUE*
MYKONOS, GREECE

Enjoy a leisurely cruise in a traditional fishing boat to the sacred island of Delos and on to neighbouring Rhenia Island for a refreshing swim in the surrounding waters. Destination Immersion

BYZANTINE HIGHLIGHTS OF ISTANBUL*

For an introduction into that time period, you will see the world-famous Blue Mosque from outside. After passing the remains of the 3rd-century Hippodrome, you will discover the treasures within the Hagia Sophia museum. Although known for its one-of-a-kind artwork, the Hagia Sophia is even more famous for its dome, an engineering feat that was revolutionary when constructed in the 6th century. The former cathedral was once the world's largest building. Istanbul is just as fascinating underground, as you will see at an enormous ancient cistern that was built to store water for the palace. LUCCA BY BICYCLE
TUSCANY, ITALY

Lucca, founded in 180 BC by the Romans, is surrounded by ancient red-brick walls, the best-preserved Renaissance-era defences in Europe. Unlike many towns in Tuscany, Lucca is primarily flat, making it ideal for two-wheeled exploration. You'll pedal to Piazza San Michele, where traders and silk merchants hawked their wares, view the graceful Palazzo Pretorio and the wonderful Pisan Romanesque 11th-century Church of Saint Michele in Foro and on to the elliptical Piazza Anfiteatro. Look out for the many historic churches throughout the city.

LUCCA, ITALY

GRIMAUD & PORT GRIMAUD

SAINT-TROPEZ, FRANCE

Explore the contemporary village of Port Grimaud, a pedestrian-friendly village designed in the 1960s to evoke Venice by means of its intricate network of canals. Delight in the arched bridges spanning the narrow waterways and colourful homes. In contrast, the medieval Grimaud, a hilltop hamlet that has retained its feudal character. The 11th-century château ruins overlook the Gulf of Saint-Tropez and the heart of the village is a warren of narrow streets lined with beautifully restored 15th-century houses painted in pastel colours and feature unusual door frames carved from black lava.
